## SUMMARY

Eager Optometrist seeking to apply my clinical skills to a patient focused practice and further develop my expertise in medical optometry. Committed to providing a compassionate and supportive atmosphere to my patients with a holistic approach to eye care.

## CLINICAL WORK EXPERIENCE

### Lenscrafters - Associate Optometrist

January 2024 - Present | Brooklyn, New York

- Deliver comprehensive eye care conducting exams and diagnosing ocular conditions such as dry eye, contact lens related infections, herpetic keratitis, and retinal tears.
- Took on additional responsibilities to ensure smooth day to day operations on account of managing OD's part time schedule

### The Eye Institute, Salus University — Clinical Extern

February 2024 - May 2024 | Philadelphia, Pennsylvania

- Focus in Low vision under Dr. Kenny and Dr. Demoss.
- Managed complex cases of retinitis pigmentosa, oculocutaneous albinism, and traumatic brain injury related vision loss.

### Eye Centers of South Florida — Clinical Extern

November 2023 - Feb 2024 | North Miami Beach, Florida

- Focus in Ocular Disease under Dr. Hoffman and Dr. Montenegro.
- Managed complex cases of advanced glaucoma, proliferative diabetic retinopathy and post operative cataract complications.

### EyeRX — Clinical Extern

August 2023 - November 2023 | Washington, D.C.

- Focus in Specialty Contact Lenses under Dr. Teller.
- Managed complex cases of contact lens misuse, corneal ulcers, advanced keratoconus and severe dry eye

### Charlotte VA Hospital — Clinical Extern

May 2023 - August 2023 | Charlotte, North Carolina

- Focus in Ocular Disease under Dr. Wong, Dr. Parikh, and Dr. Chen.
- Managed complex cases of neuro-syphilis, exudative macular degeneration, and severe dry eye.

### Keller Army Community Hospital — Clinical Extern

April 2023 - May 2023 | West Point, New York

- Focus in Primary Care under Dr. Bodwell.
- Managed complex cases of binocular vision disorders, post operative PRK cases, and traumatic retinal detachment.
